SPECIAL VOTER'S MEETING

UPDATE ON STAINED GLASS WINDOW REPAIRS

Cathedral Crafts from Winona, Minnesota is continuing to work on the stained glass window restoration project. They have a 4 man crew staying here and will be working mostly on the east side the entire month of October. The project is going good and we are impressed with the skill and care they are giving to our old glass. Their goal is to remove all the glass from the frames this fall and spend the winter months in their studio restoring the stained glass. They would then finish replacement next spring. If you have any questions feel free to call the trustee's for an update.

SERVICE OPPORTUNITY

SPL Ladies Aid exists to serve and support the people of our congregation, God's community beyond, and the education of our young.

If you are looking to be a part of a group of women who enjoy fellowship and service, this group is worth giving a look, or a second look. We serve food at funerals and other special occasions that may not otherwise happen without volunteers. Our group cares for altar flowers. We support WELS missions and a variety of Synod schools with money from our treasury each year.

Do you have time to volunteer to help by working an event once or twice a year? Baking cookies or cupcakes? We are looking to comprise and updated volunteer list.

We meet the first Thursday of every month at 1:30pm in the Commons. Please join us!

Questions? Call Lori Ehrenberg at 920-407-0143 or Priscilla Bartel at 920-867-3356.
