#### EPIPHANY WORSHIP SERIES: UNCOVERED

God and his ways are beyond our understanding and contrary to our natural assumptions. We can't *discover* what God is like ourselves; he must *uncover* these truths for us. When Jesus appeared on earth, his life, miracles, and teachings uncovered surprising truths about God and his salvation for us. Easter falls late this year, so we have two full months to enjoy the season of Epiphany as God uncovers these amazing details through Christ.

- January 9: Anointing Uncovered
- January 16: Delight Uncovered
- January 23: Reception Uncovered
- January 30: Agenda Uncovered

#### CHURCH PICTORIAL DIRECTORY

Church Directory photos will be taken Wednesday January 5th, Thursday January 6th, Friday January 14th, and Saturday January 15th. There are a small number of available times still available. You may schedule on-line by going to the Universal Church Directories' website, at <http://www.ucdir.com>, click on "photography appointment scheduling login" enter church code **wi156** and password **photos**. Another sign-up option is to call Sue Morack at (920) 209-7744 until January 13th. In case the above dates do not work for you, there will be additional photo sessions on April 28, 29 and 30.

If you have an email address on file, you will be receiving a confirmation email with your date and time prior to your scheduled date that will be sent to you from [admin@ucdir.com](mailto:admin@ucdir.com). Photos will be taken in the Narthex, so please come to the Narthex entrance where you will be greeted and registered by a host. The Library will be used to review the photos immediately after the pictures are taken.

#### PROJECTOR SCREEN SURVEY

The Technology Committee is again researching the possibility of installing permanent screens in the church for use in projecting the worship service content for viewing. They have prepared a survey and are asking for your input – those who have email will receive a link with this bulletin mailing, hard copies are included for those who receive the mailed copy, and there are extra copies in the back of church.

Please take a few minutes to complete a survey with any comments or feedback to help in making this decision.

### **STAINED GLASS UPDATE**

Restoration of the stained glass windows is now 30% completed. The cleaned and re-leaded glass has started to go back up in the two large windows of the sanctuary. Much more work yet to be completed on the frame work and storm windows in the spring. The remainder of the smaller windows will be pulled out by Easter and cycled back into the re-worked frames. Rejoice as we have our beautiful restored glass just in time for Christmas.

### **OFFERING ENVELOPES**

Your 2022 offering envelopes are available for pick-up in the Narthex. Please pick them up at your earliest convenience.

We have ordered a small supply of extra hymnals for those who still wish to purchase one for personal use. The cost is \$26.00 each and they are available in the office.
