**EPIPHANY WORSHIP SERIES: UNCOVERED**

God and his ways are beyond our understanding and contrary to our natural assumptions. We can't *discover* what God is like ourselves; he must *uncover* these truths for us. When Jesus appeared on earth, his life, miracles, and teachings uncovered surprising truths about God and his salvation for us. Easter falls late this year, so we have two full months to enjoy the season of Epiphany as God uncovers these amazing details through Christ.

- January 23: Reception Uncovered
- January 30: Agenda Uncovered

Church Directory photos will be taken Friday January 14th, and Saturday January 15th. There are a small number of available times still available. You may schedule on-line by going to the Universal Church Directories' website, at <http://www.ucdir.com>, click on "**photography appointment scheduling login**" enter church code **wi156** and password **photos**. Another sign-up option is to call Sue Morack at (920) 209-7744 until January 13th. In case the above dates do not work for you, there will be additional photo sessions on April 28, 29 and 30.

If you have an email address on file, you will be receiving a confirmation email with your date and time prior to your scheduled date that will be sent to you from [admin@ucdir.com](mailto:admin@ucdir.com). Photos will be taken in the Narthex, so please come to the Narthex entrance where you will be greeted and registered by a host.

**PROJECTOR SCREEN SURVEY**

The Technology Committee is again researching the possibility of installing permanent screens in the church for use in projecting the worship service content for viewing. They have prepared a survey and are asking for your input – the surveys were distributed last week via email or mail, and there are extra copies in the back of church.

Please take a few minutes to complete a survey with any comments or feedback to help in making this decision.
