EPIPHANY WORSHIP SERIES: UNCOVERED

God and his ways are beyond our understanding and contrary to our natural assumptions. We can't *discover* what God is like ourselves; he must *uncover* these truths for us. When Jesus appeared on earth, his life, miracles, and teachings uncovered surprising truths about God and his salvation for us. Easter falls late this year, so we have two full months to enjoy the season of Epiphany as God uncovers these amazing details through Christ.

- February 20: Reactions Uncovered
- February 27: Glory Uncovered
