### EPIPHANY WORSHIP SERIES: UNCOVERED

God and his ways are beyond our understanding and contrary to our natural assumptions. We can't *discover* what God is like ourselves; he must *uncover* these truths for us. When Jesus appeared on earth, his life, miracles, and teachings uncovered surprising truths about God and his salvation for us. Easter falls late this year, so we have two full months to enjoy the season of Epiphany as God uncovers these amazing details through Christ.

### MIDWEEK LENT: The Crucial Hours (Mar 2, 9, 16, 23, 30, Apr 6; 4pm)

Every Wednesday during Lent we ponder key words and moments from Jesus' passion (his suffering and death) that demonstrate the completeness of his saving work for us, the depth of his love for us, and the strength of his union with us. Each week's theme is drawn from the devotion book *The Crucial Hours* by William Lauterbach, available from NPH.
