“Truly I tell you, whatever you did for one of the least of these brothers and sisters of mine, you did for me.” (Matthew 25:40)

### NEW BIBLE CLASS: STAND FIRM IN TRUE GRACE

If you were stranded on a desert island with only one book of the Bible, you'd want 1 Peter. Participants will learn to appreciate their Christian identity, find direction for living their calling, and be comforted as they suffer in this life. This online class is not a live experience and can be completed at your own pace and convenience. If you would like to join us, contact Pastor and he'll send you the access code to our Google Classroom.

### HOW CAN I GIVE MY OFFERING?

Many of you have asked about ways to give an offering while we cannot gather in person for worship. **First, we sincerely thank you for your continued willingness to support your congregation during this difficult time.** We are trying to avoid face-to-face meetings in our office as much as possible to curb the spread of the virus. For now, mailing a check to 312 W Main Street, Weyauwega, WI 54983 is the simplest and safest way to give your first-fruits to our Provider-God. "The eyes of all look to you, and you give them their food at the proper time. You open your hand and satisfy the desires of every living thing" (Psalm 145:16).

**BAM = Befriend a Mission ANTIGUA**

From our International LWMS through the Wolf River Circuit our congregation has been assigned four missions and missionaries for the 2019-2020 period. The purpose is to become acquainted and more familiar with Home and World Missions. One of our missions this year is St. Johns Lutheran Church and School in Antigua and Barbuda. Some facts: 1) **CHURCH = 550 communicant members are served by Pastors Jason Richards ("Lead Pastor") and Daniel Habben.** There are two Sunday morning services and one on Wed. evening. Music is a big part of worship, with *liturgical dance* and *steel pan drums*. Lessons in both are given through the church. There are 3 levels of *Sunday School for children and youth*, and *two adult Bible classes*. Church expansion is underway.

**2) SCHOOL has 375+ students, with an average class size of 25-30. The teaching staff of 16 is led by Principal Joel Molyneaux.** (Faculty receives instruction through my Martin Luther College). School is crowded to the limit. They would like to expand, with a goal of 650 students in ten years. Their *school sports are swimming and golf*. They run Soccer Camps and VBS in Summers.

Missionaries are delighted to get cards and letters and monetary gifts for their family or Church projects. **But because of Postal insecurity in Antigua, avoid sending anything by regular mail. Instead, use email to send encouragement and special greetings.** [stjohnsantigua@outlook.com](mailto:stjohnsantigua@outlook.com)

**Richards have two sons: Luke, about 8 months, and Levi, age 6.** Judy Richards requests prayers from us: **1) "for my husband's health; 2) for me to adjust to a church and church body that is new to me. 3) For God's blessings on my husband as he leads church and school expansion projects; 4) that the Lord would move our congregation to raise funds needed to pay for the new sanctuary."**

One of the opportunities to befriend this mission is to contribute toward their steel pan instruments through the Wolf River Circuit. (Look for more on how we can all participate in that, as life gets a little more normal.) **DO NOT FORGET TO PRAY FOR THOSE WHO spend their lives in KINGDOM BUILDING**

**The Radio Broadcast for May 3rd is sponsored by Joel Jorgensen in memory of Everett & Lucille Jorgensen and Pastor & Mrs. J.C. Dahlke.**
