A Celebration of Joyful Generosity – TO GOD BE THE GLORY

The Building on the Rock Project began in 2008 with the first of three capital Campaigns that supported the funding of the construction of a \$4.5 million dollar project. Through generous and sacrificial giving, at the end of the 3<sup>rd</sup> campaign in 2018, only \$420,000 of the total project cost was remaining. Proceeds from the Kobiske Estate Trust along with continuing contributions from members and designated memorials have been used to make payments on this outstanding debt. As of October 30, 2019, the balance of the outstanding loan on the project was \$346,000. By using \$15,000 of accumulated dollars in the BOTR Debt Fund and with a generous anonymous donation in recognition of the 125<sup>th</sup> year celebration of St. Peter’s school, it is being announced that **the total debt of the Building on the Rock Project has been retired. God has certainly blessed St. Peter throughout its long history!**

BIBLE CLASS – MONDAY EVENINGS-HOW TO STUDY THE BIBLE

How can we get the most out of our time reading it? *Every member is encouraged to attend this Monday night class with their entire families.* Participants will learn a simple way to study the Bible, practice the method in class, and even create their own Bible reading plan by the end. **The first class is Monday, November 4<sup>th</sup> at 6:00 pm.**

## **125<sup>th</sup> SCHOOL ANNIVERSARY**

What joy and enthusiasm filled the campus this past weekend! From hearing Pastor Isaac Crass preach to opening the 25 year-old time capsule to bringing back memories to enjoying each other's fellowship, it was a memorable event in which God was praised for blessing our educational ministry. Once again, St. Peter demonstrated how much Christian education is valued here in Weyauwega.

Thank you to F.A.C.E. for organizing and serving the meal. Thank you to all who were able to attend the opening of the time capsule and the worship services. Attendance totaled 571 people. Thank you to ALL who gave of their time and talents in some way to make this a very special time in our school's history. A special thank you goes out to the committee made up of Amber Curtis, Janah Kaminske, Jordana Umnus, Marietta Paap, Pastor Kristopeit, and Jeff Miller.

The contents of the time capsule will be on display in the narthex for a couple of weekends. All are invited to browse the collection of 1993/1994 artifacts. There is talk of burying another time-capsule this spring to be opened 25 years down the line to share with children not even born yet. "One generation commends Your works to another – they tell of Your mighty acts!" (Psalm 145:4)

## **GREETERS NEEDED**
