

RED HAWKS

ST. PETER LUTHERAN

December 3rd, 2020

Mission Statement *St. Peter Lutheran School exists to help parents bring up their children in the training and instruction of the Lord, to provide academic excellence using God's Word, and to share the Gospel of Christ with the world.*

Bible Class

"Living Christian Values in the Home" is the class St. Peter is offering each Sunday through December. **This Sunday, December 6, there will not be a class.** The next class will be December 13, at 9:15 am in the school commons. That class will be on teaching children the importance of honesty.

Church

We will continue to take church attendance for advent services over the next few weeks as well as for during Christmas vacation. St. Peter's Advent services will only be on Wednesdays at 4:00 pm. St. Peter does not offer a 7:00 pm service during Advent this year. The 4:00 pm service can be watched via live streaming or you can watch it later in the evening. Immanuel, Waupaca, tapes their service as well for viewing. You can go to either churches' website to find details on times etc.

Christmas Video

The classrooms are putting the final touches on singing Christmas songs that will be put into a short video instead of the regular Christmas program they have done in the past. The video will be made up of a song sung by each classroom, pictures of the students, and pictures shown depicting Jesus' birth. The video will be played at church services on December 19 and 20.

Christmas Parties

Each classroom will be having a Christmas party on Wednesday, December 23, which is the last day before vacation break begins. Instead of students bringing food and beverages that day, the school will be purchasing these items and providing them. We may ask for freewill monetary donations to help cover the cost. More information will be sent out later regarding any possible requests.

Gift Exchange

Students will exchange Christmas gifts with one another on December 23. The breakdown of spending for gifts is listed below.

3K - \$5

4K / K / 1 - \$5 to \$10

2/ 3-4 - \$10 to \$15

5-6 / 7-8 - \$15 to \$20
