**Teacher Calls**

On Sunday, January 8, 2023, the voters of St. Peter extended the following individuals calls to teach at St. Peter Lutheran School. Mr. Daniel Schulz was called to teach 7<sup>th</sup>/8<sup>th</sup> grades and upper grades Science. He currently teaches at Bethany Lutheran School in Manitowoc, Wisconsin. Mr. Schulz can be contacted at 920-242-4372 or [dschulz@bethanyeagles.org](mailto:dschulz@bethanyeagles.org). Mrs. Deanna Robbins was called to be our full-time remedial teacher. She currently works for the Appleton Area School District. Because she is working on completing her synodical certification this spring, her call is provisional based on the completion of her certification. Mrs. Robbin's contact information is 920-419-0065 or [robbinsd@lakeland.edu](mailto:robbinsd@lakeland.edu). May the Lord guide each of these individuals as they deliberate the calls the Holy Spirit has extended to them.

**Enrolling for 2023-2024 School Year**

Information regarding enrolling your students for next year will be sent out next week. All students currently attending St. Peter Lutheran School will have the first opportunity to save a spot for 2023-2024. This first-come basis will be open until March 31. On April 1, an Open Enrollment period will begin for those students not attending SPL. With some classrooms already being full or close to capacity this year, especially in grades 3k-4, next year's openings could be limited. If you plan on sending your child to St. Peter next year, it will be important that you complete the registration form and return it with the \$50.00 registration fee to the school office as soon as you can but before March 31. You will receive the information and form the week of January 16, 2023.

## **Tuition 2023-2024**

The School Board has set tuition prices for next year. In previous non-COVID years, we have kept tuition increases around 3%. Next year, tuition will go up 5% across the board. This is mainly due to an increase in prices and also with having an eye toward additional staffing. The tuition charge is still a good 'deal' considering that the cost to educate each child in grades K-8 this past year was at \$6171.00. This will increase significantly for 2023-2024. Parents, members and nonmembers alike, are blessed by both St. Peter and Immanuel Lutheran Churches subsidizing a healthy portion of that cost to educate.

### St. Peter Lutheran Tuition Charges 2023-2024

<u>Grade level</u>	<u>Member</u>	<u>Nonmember</u>
3K	\$357.00	\$502.00
4K	\$646.00	\$1085.00
K-8	\$1085.00	\$1773.00
