

October 1st, 2020

Mission Statement *St. Peter Lutheran School exists to help parents bring up their children in the training and instruction of the Lord, to provide academic excellence using God's Word, and to share the Gospel of Christ with the world.*

Really? We have turned the calendar from September to October. After being away from the students from March through August, it amazes me HOW FAST September has been recorded into the books. There were so many new procedures that had been implemented to start the school year. I commend EVERYONE involved from students to parents to staff who experienced the difficulties of change. I praise God for students who are very happy to be with their friends learning about Jesus and the new aspects of virtual education. I praise God for parents who are happy to have their children back in school learning about their Savior in an environment in which Scripture is most important. I praise God for staff who are happy to have little lambs sitting before them as they share with joy the blessings of law and gospel and what it takes to be a disciple of Jesus in this world. Yes, there have been bumps, hiccups, struggles, tears, frustrations, etc. All of these do not take away the fact that each and every one of us is a redeemed child of God by the blood of Jesus. The Triune God has a plan that He is unfolding each day. Students, parents, and staff all know that heaven will be our final resting place. We look forward to that day, but until God takes us there, we have the blessed task of sharing God's plan of salvation with everyone who has contact with us. "The angel said to them, 'Do not be afraid. I bring you good news of great joy that will be for all the people.'" (Luke 2:10) I thank you for your patience during these unusual times. Communications will continue to be sent out as needed. Sometimes they will be to the entire school and at other times they might be just to particular classrooms. We will do everything we can to keep you informed with the necessary information. May God continue to bless our partnership in Him.

Weyauwega Bus Students: Wednesday October 14th WF School District does not have School, **BUT ST. PETER DOES.** We will be provided with 2 busses. Forms were sent home this week, please fill it out and return it to the school office by Monday October 5th. Waupaca parents: you will drop off and pick up as you normally do on Wednesday's.

Classroom News:

Mr. Miller's Classes

We continue to add to our skills in using Google Classroom for classes, assignments, and even teaching lessons. Mr. Miller was able to record an English lesson and send it out to the students. Now, he just needs to see how the students did on the assignment portion. I really pray we don't have to shut down for any length of time, but I am confident we will be ready if that happens.

Next week's **assignments are due** as follows:

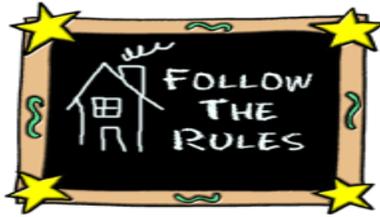

Monday, Oct. 5 – Religion Lesson 4 Application & Memory Work

Monday, Oct. 5 – Spelling Test Lesson 5

Monday, Oct. 5 – English Quiz Chapter 8

Wednesday, Oct. 7 – English Test Chapter 8

Friday, Oct. 9 – Math Test #3 / Spelling Test Lesson 6

Reminder - Student Dress Code: Wednesday, September 30th was the last day to wear shorts/capri during the school day. The next opportunity will be during the month of May, 2021
