Mission Statement *St. Peter Lutheran School exists to help parents bring up their children in the training and instruction of the Lord, to provide academic excellence using God's Word, and to share the Gospel of Christ with the world.*

We Have Winners!

Mrs. Braun, St. Peter's Food Service Director, created a competition that students could be a part of this year. They were given the task of creating a recipe using one pound of beef crumbles supplied by the hot lunch program. Interested students took home the beef, created a food dish, and then recorded the recipe of their creation. The recipes were turned in to Mrs. Braun which she used to make the savory sensations. Each student's food dish was then sampled by the staff and voted on for 'best recipe'. Congratulations goes to Lake and True Curtis for winning the Junior Chef Competition. Their recipe called, "Camper's Special", will be served to students/staff at the beginning of November. Watch for it on the monthly hot lunch menu.

Classroom News:

Mr. Miller's Classes

I want to commend the students in grades 7-8 for the time they were off-campus and learning at home virtually. Their patience they exhibited with Mr. Miller in him getting settings correct or assignments posted on time, and the responsibility they took upon themselves to be in attendance for Google Meets were very much on display. They entered a new pathway in their education and did a wonderful job during the process.
