**First Semester Mission**

Our mission monies are going to support the ministry of 316NOW. This ministry is devoted to spreading the Word of Jesus to the people of China. This is done by "inviting Chinese church leaders to attend Bible institutes, raise up biblically sound Christian leaders, assist Chinese church leaders in sharing the Bible, and sharing the Chinese culture with American Christians." Students and staff and also via SPL Family Fin Night have collected about \$696.00 which will go to 316NOW. We have until January before our collections will move to another ministry.

**Walk-A-Thon**

Your son/daughter received a yellow piece of paper that has information regarding a Walk-A-Thon event that will take place November 3 at St. Peter during school. We are asking students to consider seeking pledges for the number of laps they do around church/school that day. All pledge donations will be given to our mission: 316NOW. Please ask your child about the Walk-A-Thon sheet. Pledges are to be sought before November 3<sup>rd</sup>. Pledges are to be COLLECTED and returned to school by November 11.

**Grades 3-4**

We have been learning about the various elements of art. Last week we tried our hand at value by creating flowers and coloring them showing light and darker areas. Tomorrow, 10/7/22, we will be working/designing pieces with texture. The plan is to create 'texture monsters'. If your child takes their art home to complete, you shouldn't be afraid. They are only 'make-believe' creations. 😊

**Grades 7-8**

We have been working on handwriting. The students have gradually done a better job with forming letters and their neatness. Each week your student receives a list of their spelling words. Encourage them to **STUDY** the words on a daily basis.
