

October 8th, 2020

Mission Statement *St. Peter Lutheran School exists to help parents bring up their children in the training and instruction of the Lord, to provide academic excellence using God's Word, and to share the Gospel of Christ with the world.*

Mr. Miller's Classes

The week of virtual learning for 7th and 8th grade is at its midpoint. Overall it seems to be going well. There were the usual 'hiccups' on Tuesday, but I think most of the issues were resolved. The students have done a good job of being on time for the most part. A couple of them forgot to set their alarm clocks and missed opening devotion once. Mr. Miller has been learning right along with the students. It has been good to be forced into attempting more platforms with the technology available. He still prefers to be on campus and face-to-face with the students. His highlight of the day on Wednesday was being greeted by Rodney the rooster. Rodney said hello during devotion AND also several times at the late morning Google Meet time. Unless something changes quickly, Mr. Miller expects to be back in school next week Monday. That would mean students would have to bring their books, Chromebooks, and supplies back with them as they also return to school. Parents, you will receive an email CONFIRMING that your children may return to campus starting Monday.

7th/8th Grade Assignments Due:

Thursday, Oct. 15 – Spelling Test Lesson 7

Friday, Oct. 16 – English Persuasive Writing Final Draft

Flags and Parking

Next week the rest of the flags in the parking lot will be coming down. The tall cones will remain. Please continue to park where you have parked with the flags in place this year. We want those certain areas to continue to be free of vehicles for dismissal purposes. We are taking down flags and cones gradually so that the lot can be barrier free for snow plowing.

Milk

Currently, both skim and 1% white milk have been offered to students who wish to take it either for snack break or at lunch. The number of students taking skim has been very low per day. The company from which we get our milk order will only deliver each (skim, 1%, chocolate) by the case. The skim milk gets wasted because we have so much that is left over and it ends going past its freshness date. In addition, we are still charged for the extra milk even though it is not used. Because of these situations, we will no longer provide skim milk as an option for the students. If you have any questions, please contact Mr. Miller.

Weyauwega Bus Students: Wednesday October 14th WF School District does not have School, **BUT ST. PETER DOES.** We will be provided with 2 busses. Forms were sent home last week, if you have not filled it out it needs to be handed in ASAP.
