Join us for Family Fun Night, November 18th: One Sunday evening in October, Mr Miller was working in his classroom to get ready for his week when the lights went out and someone tried to take him away! He was able to get free and when the lights turned on, the whole ST Peter Staff Was standing there. We need your help to find out who tried to take Mr. Miller!

Our STEM evening will be in the form of a live action Clue game where there will be a paper taken around as the kids discover different clues through Science, Technology, Literacy, Math, and Art activities. We will meet back in the commons to discover the official reveal of who did it! If you are interested in coming for our SPL School Family fun night, please sign up below.

Invitation to Military Veterans

St. Peter Lutheran School will be celebrating Veterans Day on November 11, 2022. The entire school will gather together in the gymnasium for a ceremony to recognize and honor our nations' veterans. The ceremony will include recognition of veterans in attendance, a guest speaker, and students participating throughout the ceremony. It will start at 10:30 am with a meal to follow. The meal will include pork loin with stuffing, gravy, creamed corn, and dessert. All veterans and one guest in attendance will receive their meals for free. Veterans, please RSVP to the school office (920-867-2200 or stpeter@splwega.net) by Thursday, November 3, 2022, indicating your planned attendance. Students, if you have a family member who is a veteran of our military, consider inviting them to our event on November 11, 2022.

Building Project

Much work has been accomplished in creating plans for an addition to our school building. The plan calls for two phases of construction. One phase is to construct a 16,000 sq. ft. Early Childhood center. The second phase includes adding three classrooms (approximately 4,000 to 7,000 square feet) to be used by St. Peter Lutheran School grades K-8. There will be two separate occasions when the Early Childhood committees will share their formal proposal to the congregation. All are invited to attend either of the presentations. They will be held Saturday, November 5, starting at 5:30 pm with a meal and Sunday, November 13, at 11:30 am. Both informational meetings will be held at St. Peter. On Thursday, December 1, there will be a special voters' meeting at St. Peter to make a decision on whether or not to continue moving forward with the project.
