Mission Statement *St. Peter Lutheran School exists to help parents bring up their children in the training and instruction of the Lord, to provide academic excellence using God's Word, and to share the Gospel of Christ with the world.*

Christmas Video

The classrooms are putting the final touches on singing Christmas songs that will be put into a short video instead of the regular Christmas program they have done in the past. The video will be made up of a song sung by each classroom, pictures of the students, and pictures shown depicting Jesus' birth. The video will be played at church services on December 19 and 20.

New CDC Guidelines

The Waupaca County Health Department has adopted the new guidelines put out by the CDC for 'close contact' quarantining. St. Peter Lutheran School will implement these new guidelines starting after Christmas vacation when the students return to campus on Monday, January 4, 2021. The guidelines include a 7-10 day quarantine for those coming into close contact with someone having COVID-19. PLEASE SEE THE ATTACHED DOCUMENT FROM THE WAUPACA COUNTY HEALTH DEPARTMENT FOR SPECIFIC INFORMATION.

Christmas Gifts

All Christmas gifts given by your child to others here at school need to be on campus by next Thursday, December 17. This is to allow the product to sit undisturbed for a few days in an attempt to lessen the possibility of spreading the corona virus. Gifts should be taken to your child's classroom for 'isolation'.

your child what their topic is and how far along they are in the process. If they are still searching for sources or haven't started taking notes, they are running short on time.
