Mission Statement *St. Peter Lutheran School exists to help parents bring up their children in the training and instruction of the Lord, to provide academic excellence using God's Word, and to share the Gospel of Christ with the world.*

Children's Christmas Message

"For I rejoiced greatly when the brothers came and testified to your truth, as indeed you are walking in the truth. I have no greater joy than to hear that my children are walking in the truth." [3 John 3-4]

The children's Christmas video has been completed. We as a staff viewed the video this week. I can say as is mentioned in the passage above that there was rejoicing seeing it for the first time. The joy was not because 'it was finally done'. The joy was not because of all the work accomplished by students and staff. The joy deep down in my heart was due to the children, whom you have entrusted to our care, witnessing/proclaiming/praising the birth of Jesus. To hear them singing and reciting the message of the Gospel was truly special for me even after so many years of teaching. This is what our school is all about. This is why you send your children to St. Peter Lutheran. Even during the pandemic, the students are learning God's Word, being strengthened by the Holy Spirit, and sharing a very precious message of reconciliation with God Himself.

The children's Christmas video will be shown at St. Peter during church services this weekend. If you don't mind getting out and about during the pandemic, I encourage you to attend one of the services this weekend to hear the children preach the good news of salvation. We believe that the quality of the video's sight and sound will be better seeing and hearing it in person versus live streaming. There will be three opportunities this weekend to attend worship services and see the video. They are Saturday, December 19, at 4 pm and Sunday, December 20, at either 8 am or 10:30 am.

I have joy in my heart. It is a joy that is there because Jesus unselfishly came to this earth to save me a sinner. Without Him, I would be headed for an eternal separation from God Himself. Heaven is my true home because of the Savior. The students of St. Peter have that joy in their hearts as well and walk in that truth of God's Word each day. It is a walk that will be on display this weekend.

December 23 is the last day of school before Christmas vacation begins. On that Wednesday, classrooms will have their annual Christmas parties. As was stated earlier in a previous communication, the food, snacks, and beverages are being purchased by the school due to the current pandemic.
