

December 15th, 2022

Mission Statement St. Peter Lutheran School exists to help parents bring up their children in the training and instruction of the Lord, to provide academic excellence using God's Word, and to share the Gospel of Christ with the world.

Church Singing:

Teacher Calls

The teachers we called, Eric and Jill Wolf, to teach grades 7-8 & Science and Remedial have returned their calls. Both Mr. & Mrs. Wolf commented how much they appreciated the communications from people in our congregation and school. We will be having another call meeting on Sunday, January 8, between services at St. Peter Lutheran Church. We will once again call two teachers to fill the positions mentioned above.

Grades 7-8

The research paper is due on Thursday, January 5, 2023. A couple of students completed it ahead of time and handed them in already. All have been working on their papers in school. If they do not finish before the Christmas vacation, they should work on them bit-by-bit over the break. That may mean a student may have to go to the library for more resources. Please ask your child where he/she is at with his/her paper.

Basketball

January is a busy month for basketball games. We are in need of concession workers and scorer's table help. Please check the link here to sign-up for dates and times to help. We are asking everyone who has a basketball player at St. Peter to volunteer at least on three separate occasions to assist during home games. Thank you to all who have helped in December. We cannot do it without you!
