Why Should Children Obey Their Parents?

“Why?” - “Because I told you to!” / “Why?” - “Because if you do that, you’ll get cookie for dessert!”
Getting our kids to obey us can be a difficult task. They are sinful and so are we. There are many reasons why a child should obey. What does God say about children obeying their parents? An article found at the [FORWARD IN CHRIST](#) link will help answer the question.

Tell Me About It!

One of the best ways to get information on a location that we have never been to before is to ask someone who has already been there to describe it for us. We want them to share what they saw and experienced. We were not with Jesus when He fed the 5,000 or raised Lazarus from the dead. We did not hear Him speak on what faith the size of a mustard seed can do. The disciple John was there. He heard and saw Jesus. I invite you to share the devotion at the [Family Devotions](#) link with your children. It’ll be one way for you to share your Savior with those dear to you.

Kindergarten Teacher

St. Peter will hold a call meeting at 5:30 pm this afternoon to call a teacher for Kindergarten. It is to replace Mrs. Voeltner who accepted our call to be the Stepping Stones Early Childhood director. We ask for God’s blessings on the call meeting.

WELS HANDBELL FESTIVAL

St. Peter is hosting the 43rd annual WELS Northeast Regional Handbell Festival. The public is cordially invited to attend the sacred handbell concert at 2:00 pm on Sunday, April 14, in the school gymnasium.

Handbell choirs from 9 different WELS congregations made up of 120+ individuals will be participating in the event. The concert will also include a vocal choir with singers from St. Peter Weyauwega, Immanuel Waupaca, and Emanuel New London, as well as instrumentalists who will accompany the bells on several selections. We hope you can join us as we “Pray, Praise and Give Thanks” through music!

Classroom News:

Mr. Miller’s Classes

In grades **5-6 Catechism** today we answered the question, “What is baptism?” The vast majority of students already knew the answer. Tomorrow we will answer “What are the blessings God gives us in baptism?” **Grade 8 Math** will start a unit on the Pythagorean Theorem next week. It is used to calculate distances, find the shortest path between two points, and design buildings with right angles. **Grades 3-4 Art** will continue their work on the Three-Dimensional Triangle room which they started last Friday.

4K News: This week our Bible stories were Jesus and the Ten Sick Men and Mary and Martha. We listened to our story book, The ABC Book and talked about rhyming words. We underlined pictures that rhymed and traced and drew different shapes. Our letter this week is W, and we made a walrus and a web. We made a rainbow book and traced numbers 1-10 on rain clouds. The field trip note went home on Tuesday. If you have any questions, please let me know.

2nd Grade News: 2nd grade is loving the beautiful weather! We have had science class outside where we learned about natural resources and how to identify different kinds of rocks. In English class, we are working on writing friendly letters. We took a virtual tour of Ellis Island in social studies and are excited to learn about our own unique cultures!
